The Greco-Persians Wars were two wars fought between the Persian Empire and some of the independent Greek city-states. Persia was a mighty empire, created by Cyrus, the Great. Cyrus conquered one area after another, but allowed the conquered people to worship as they pleased, as long as they gave the great king annual tribute and military service.

Advance Wars is a turn-based strategy video game developed for the Game Boy Advance by Intelligent Systems and published by Nintendo. It was released in North America on September 10, 2001. The game's release in Japan and Europe was delayed, supposedly due to the September 11 attacks in the United States. Although the game was released in Europe in January 2002, neither GBA title was released ...
