Thin Durable Design Built to Perform.

Read Book Mototrbo Programming Manual

The R7 two-way radio was designed to meet the growing needs of two-way radios users. To start, the R7 offers a thinner profile than its predecessor, the XPR 7000 two-way radio. Due to advances in battery technology, the thinner battery (and up to 28 hours of talk time) offers a sleek profile for a better grip and better wearability.
