Computer Networks, 6th Edition - Pearson

But do you know how to proceed when a reference list includes publications by two or more different primary authors with the same surname? When this occurs, include the lead author's initials in all text citations, even if the year of publication differs (see the sixth edition of the Publication Manual, p. 176). Including the initials helps ...

APA Style 6th Edition Blog: Author names

by David Becker. One basic rule of APA Style is to capitalize the first word after the colon in a title. For example, in the movie title Superman IV: The Quest for Peace, the is capitalized because it is placed directly after the colon. The same would be true for titles in a reference list where only the first word, proper nouns, and the first word after a colon or an em dash should be ...

APA Style 6th Edition Blog: Capitalization After Colons

Personal communications, class notes, and classical works: Classical works (in which sections are standardized across editions) such as the Bible appear only in text and not in the References list. (see APA sec. 6.10). As well, class notes, e-mail messages to you, or private interviews that
