True, the P230 is, by today's standards, on the larger end of the scale for .380 Autos. But the sleek lines and profile of the P230 belie its design origins dating back to I believe the 1960's--decades before the current crop of sub-compact pistols were even envisioned. Up until recently, the SIG P230 in .380 Auto was (may still be) the issued off-duty carry gun of the Secret Service and other ...
