Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars).

The incredible 2 started out as a great phone until I started leaving town for work. I enjoyed the design compared to the first incredible. Text input, camera usage, the display, and just overall features that HTC offered on the phone were very nice. The only reason I went with the Droid X2 is because of bad reception with the Incredible 2.
