Human Things - the company responsible for the Genki Covert - is unveiling its new mini Switch dock alternative. Much like its larger, slightly more powerful, and more expensive predecessor, the Genki Covert Dock Mini delivers a compact solution to "docking" your Switch and enabling its HDMI output to the big screen without having to lug around the larger, included first-party variant.

New mini Switch dock alternative from Human Things - 9to5Toys

The following illustration shows the Mini toolbar when you rest your pointer on it. To use the Mini toolbar, select the text you want to format and then click an option on the toolbar. If you don't want to see the Mini toolbar, you can turn it off as explained next.
